**Role:** Landscape Consultant/Senior (full time)

**Start Date:** ASAP 2023

**Location:** Hemel Hempstead/Tonbridge

## Landscape Manager, Consultant /Senior Opportunity

### About Stephenson Halliday

Stephenson Halliday Ltd, part of the RSK Group, is an award-winning Landscape Institute registered practice. Our landscape team provides a comprehensive range of landscape planning, architecture and management services throughout the UK. We have a landscape management consultancy role providing landscape services for several major infrastructure projects, green infrastructure studies, parkland plans and the Homes England Green Estates management project.

### About the role

An opportunity for an experienced landscape manager to join the team in either Hemel Hempstead or Tonbridge. Working within an established team of landscape managers, landscape architects and landscape planners you will be undertaking landscape stewardship, implementation and strategy work on regeneration areas, agricultural land, development sites, major infrastructure projects and a range of public open spaces. This position requires both field and office work, and the successful applicant will be expected to travel to various sites throughout the UK.

### Key Tasks

- Completion of site surveys and appraisals with follow up reporting
- Production and implementation of landscape management contracts
- Undertake the role of Contracts Manager
- Leading on monitoring landscape aftercare projects
- Liaison with clients, others with the RSK Group, community and landowners
- Assist with business development and work winning

### Skills and experience

- Degree in Landscape Management
- Chartered member of Landscape Institute (CMLI) or working towards CMLI
- Experience of: Environmental legislation, Landscape surveying, appraisals, management principles and techniques
- Competency in Microsoft office (essential), GIS & AutoCAD(desirable)
- Verbal and written communication skills in a commercial environment
- The ability to work well within a team whilst leading on project work
- Full clean driving licence

### Salary and Benefits

- Salary £26- 41k dependant on level applied for and experience
- Contributory Pension Scheme
- Flexible benefits programme: healthcare cash plan and payroll giving
- Cycle-to-work scheme, additional holiday purchase and gym subsidies
- Use of hire car for business travel
- Additional training available in; First Aid, GIS, Inhouse career development
